Our objective is to promote community participation in healthy recreation, in particular by the provision of facilities for the playing of rugby; also the relief of disabled people resident in West Yorkshire and beyond bringing people into contact with the sport.

Your fundraising and donations help make a difference by providing additional resources for the team and their supporters. Some of the players are from disadvantaged backgrounds, may have a learning disability and have little access to funds to take part in tours and matches. **The charity supplements players in hardship to ensure inclusivity.**
