Date of latest revision: 10/9/2020 Revised by: Phil Wilson	Date of Activity: 12/9/2020 Group: Bumble Bees RUFC Players	
Number of adults: 12	Adults With Learning Difficulties: 14	
Hazards	Risk	Risk control measures
Distance from School	Need for emergency contact	<ul style="list-style-type: none"> • A mobile phone must be carried by member of staff leading the group. • Group leader must have list of all players on the trip with their emergency contacts • Route taken should be appropriate for age and ability of group and should be checked before group sets off • Ensure group behaviour and supervision is acceptable and appropriate.
First Aid	Minor injury or serious illness	<ul style="list-style-type: none"> • Leaders carries first aid kit • Any prescribed medication e.g.inhalers, epipens, with players if usually responsible or designated member of team
Rough, uneven ground	Slips, trips or falls	<ul style="list-style-type: none"> • Verbal warning of risk • Suitable footwear to be worn. • Ensure good behaviour and no running
Traffic	Death or major injury	<ul style="list-style-type: none"> • Verbal warning of risk • Supervise road/car park crossings by groups • Maintain clear sight lines at all road crossings • Use pedestrian crossings wherever possible • Leader at front plus back marker at all times • Walk in single file if narrow paths • High visibility vests to be worn by group members & staff
Contact with Animals & Dogs	Minor/ major injury/ death	<ul style="list-style-type: none"> • Health and safety briefing to include importance of not approaching dogs • Verbal reminders of risk • Awareness of animals, especially farm livestock
Extreme weather conditions	Sunstroke/ sunburn/ dehydration	<ul style="list-style-type: none"> • Ensure group have access to fluids and drink breaks • Avoid prolonged exposure to sun • Modify/ shorten walk as necessary

Extreme weather conditions	Hypothermia	<ul style="list-style-type: none"> • Modify/ shorten or consider cancelling activities in bad weather • Provide extra clothing as necessary • Be aware of the level of comfort in the group and avoid pro-longed periods of inactivity
General public	Physical/ verbal abuse/ abduction	<ul style="list-style-type: none"> • Regular headcounts • Volunteers to be vigilant • Front and back markers to be designated with each group • Attempt to de-escalate any potentially confrontational situation if safe to do so • Be prepared to remove group to alternative area if necessary • Follow serious incident procedures and notify police if appropriate
Separation of group member from group	Getting lost	<ul style="list-style-type: none"> • Regular headcounts • Volunteers/Buddies to manage their groups and escalate all issues to organisers. • Guidelines given to walkers about what to do if separated • Ensure participants let leader know if they are leaving the group early • Clear boundaries for activities • Ensure good behaviour • In the event of unacceptable behaviour, consider shortening walk • Leader at front plus back marker when moving between activities • Follow lost person procedure
Travel	Covid-19	<ul style="list-style-type: none"> • All passengers should wash their hands (for at least 20 seconds) or sanitise their hands before entering and after exiting the vehicle. • Sharing transport with the same people each time. • Opening windows for ventilation. • Passengers facing away from each other. • Traveling side by side or behind other people, rather than facing them, where seating arrangements allow. • Consider seating arrangements to maximise distance between people in the vehicle. • Cleaning the car between journeys using standard cleaning products – cleaning the door handles and other areas that people may touch. • Ask the driver and passengers to wear a face covering. • Limiting the time spent at garages, petrol stations and services. Passengers should wash their hands (for at least 20 seconds) or sanitise before re-entering the vehicle.

Transmission of illness	Covid-19	No-one should take part if they, or someone they live with, has any of the following Covid-19 symptoms: <ul style="list-style-type: none"> • A high temperature • A new, continuous cough • A loss of, or change to, their sense of smell or taste Social Distancing <ul style="list-style-type: none"> • Social Distancing to be maintained in accordance with the local/national guidance • All walkers should remain in their allocated groupings
Is lone participation expected? No	Are any special groups at risk? Covid-19. Adults with learning difficulties
